

SUMMER PROGRAM FOR CHILDREN FROM 1.5 TO 8 YEARS-OLD

August 2013 (from 29.7. until 23.8.)

Come to travel with us to the past and even the future

We will wander in the days long past, explore how our ancient and recent ancestors lived, and try many of their ways on our own. Our time machine may also take us to the future to imagine what life will be like next. And as usually, we will look from all sides and angles, search under the surface and play in a thousand ways.
